HR packages for SMEs

From day-to-day HR housekeeping, to contracts and handbooks, to crisis management when the worst happens, our HR & Employment Law experts cut through the confusion to support you & your business.

People management can be challenging, even at the best of times. With ever changing regulations, legislations and workplace environments, it can be time-consuming and complicated to keep up to date.

Our team of HR & Employment Law experts can take all that off your plate.

We have bundled up all the core HR services your business needs into simple packages giving you access to a fully staffed & qualified HR department, at a fraction of the cost of recruiting your own team.

So whether you need us to support an existing HR function, or want us to take over your HR function entirely, we've got a solution for you.

our comprehensive HR solution

With our HR packages, we take the time, stress and confusion out of managing your HR responsibilities.

Whether you want us to support an existing HR person, or act as a complete HR department, we can take on all the complexities of people management, giving you and your team the freedom to focus on running your business.

So subscribe to one of our packages and get access to:

- **24/7 HR Advice Line** - any time of day or night, whatever the issue, you get the support of one of our in-house experts.
- **HR Documentation** - all your HR paperwork taken care of. Whether it be contracts, handbooks or policies, we'll look after the time-consuming admin!
- **Online Document Library** - giving you access to a wide range of templates, guidance documents, letters & webinars to support you 24/7.
- **On-site support** - in-person representation through any challenging events such as disciplinaries or terminations.

Our packages start from as little as £3.50 per employee per month, giving you access to the best HR support, for less than the price of a flat white!
