Home & Contents

We don't make bold claims. We simply resolve them for you.

Our Home & Contents Insurance policies are hand-crafted around your property & possessions. However unique or complex they may be.

You put time & effort into ensuring your home meets your exacting standards. We ensure that it stays that way, even if the worst happens. All with minimal fuss and disruption to you.

Our tailored policies will be designed around your portfolio but can include:

MULTIPLE PROPERTIES

We can ensure all your property portfolio, including rental, investment and holiday homes.

HOME IMPROVEMENTS

For any significant restorations, renovations or extensions to your home, we can provide cover throughout the works without any effort from you.

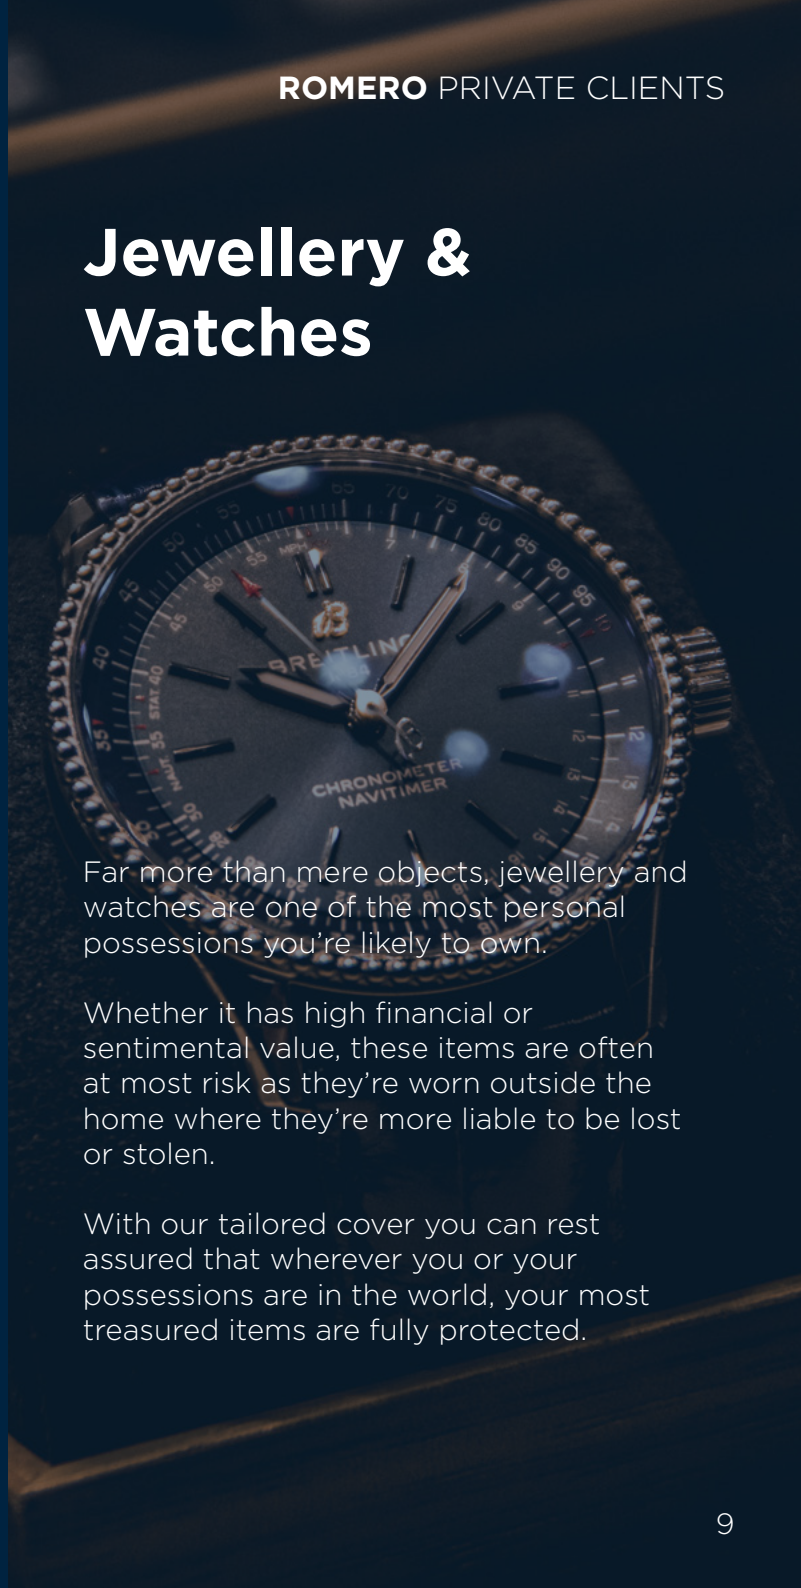

COMPLEMENTARY SERVICES

We have a hand picked network of in-house experts & trusted partners for any support you might need. From surveyors, legal and financial advisors, property specialists & security experts. To help you with any support you need for your home.

WORLDWIDE POSSESSION PROTECTION

We can cover your possessions from theft, loss & damage when you take them away from home, anywhere in the world.

Jewellery & Watches

Far more than mere objects, jewellery and watches are one of the most personal possessions you're likely to own.

Whether it has high financial or sentimental value, these items are often at most risk as they're worn outside the home where they're more liable to be lost or stolen.

With our tailored cover you can rest assured that wherever you or your possessions are in the world, your most treasured items are fully protected.

Holiday Homes & Investment Property

Take back the time to enjoy your sanctuary, not worry about it.

When your property might be left unoccupied for long periods, it's important to ensure you have the best cover in place. Our second home or investment property insurance expertise gives your properties the best protection, wherever they may be, and however often you might use them.

Your second home is your sanctuary to get away from the stresses of daily life. Whether it's a bustling city home or a tranquil coastal property. Arranging your second home cover should be as relaxing as getting away from it all.

Our second property cover gives you:

EVERYTHING IS COVERED

Like your main home policy, our second home cover includes full protection for your property & contents however unique they may be.

NO OCCUPANCY CONDITIONS

Our market-leading policy will not impose limits on your cover if your property is left unoccupied for long periods.

COVER FOR STAFF & VISITORS

All our policies include liability cover to ensure you're not exposed if a member of staff, visitor or paying guest is injured.

COMPLETE PROTECTION

Like your main home policy, our overseas cover protects you against any losses resulting from fire, flood or theft, including new for old with no wear & tear reductions.

Prestige, Classic & Performance Cars

Insurance as head
turning as your
pride & joy

From a cutting edge supercar,
to a uniquely specified family
SUV, to a true classic.

Our exclusive motor insurance
is designed around the unique
requirements of prestige
vehicles. Giving you truly
comprehensive cover, and a
host of enhancements you
won't find with conventional
car insurance.

**A car is more than a mode of transport.
It's an expression of your personality and
your style. We share the same passion for
the world's most exclusive vehicles, and
care for your cars with the same attention
to detail you would give them.**

Our motor experts give you access to:

TOTALLY COMPREHENSIVE

Our cover is tailored to your unique needs.
Whether you have one car, or many. The
protection you'll enjoy is designed around
whatever your situation, and whoever is
climbing behind the wheel.

EXPERT CLAIMS HANDLING

An in-house claims team with additional
support to quickly resolve any claim. This
includes sourcing equivalent courtesy cars,
sourcing repairs on your behalf or allowing
you to use your own choice of garage. We
also pay agreed guaranteed values in the
event your vehicle is written off, or source
you an equivalent replacement vehicle if
available.

MOTOR SOURCING SPECIALISTS

We have relationships with vehicle brokers,
fleet specialists and prestige car marques.
So we can help you source the perfect new
vehicle when you feel like a change.

Our promise to you

It's our mission to resolve your insurance requirements quickly, efficiently and with minimal fuss. Giving you the freedom to enjoy your precious time. So we promise a discreet, no-nonsense approach to deliver a simple process for you, however complex or extensive your portfolio may be.
